"Bringuier advised that he knew of no associates of Oswald with the possible exception of a PHILIP GERACI III, who resides in Metairie, Louisiana. He describes this person as a youth about 16 years of age who came to his store a few minutes before OSWALD appeared for the first time August 5, 1963 and offered his services to the Cubans who were anti-Castro, and during the time he was in the store he gained an impression that he might be an associate of OSWALD.
